

40 x 48 GMA Nestable Pallet

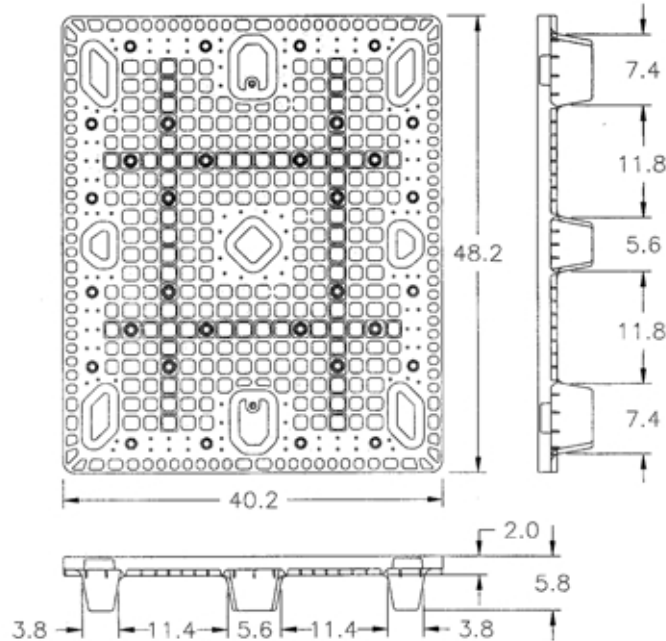

This durable 40" x 48" nestable pallet is designed to interface with all types of order picking equipment to facilitate distribution in several markets including retail, grocery, foodservice and textile industries. The open grid design allows easy cleaning and the rubber grommet option reduces slippage during transport. It interfaces nicely with all types of order picking equipment and offers 4 way fork and hand truck entry to facilitate distribution. This pallet can be manufactured in FDA-approved materials and is fully appropriate for food handling applications. Its flow-through design results in easy cleaning.

This pallet is compatible with the ORBIS 4048 Stack-N-Nest Container System and the EIPak Container System. Additionally, it is compatible with the ORBIS 40" x 48" GMA TOPCAP.

Industry Applications:

- Food
