

No-stress Service

- Do you want to learn how to inspect, maintain and **extend the service life** of your existing equipment?
- Are you are looking to upgrade but **struggle with funding** due to tighter budgets?
- **Is your equipment old**, tired or beyond repair but you are forced to continue fixing it?
- Do you worry about **machine safety**, employee training, and workplace hazards?

We have the answers ►

Start with an Inspection.

- **Prevent potential problems.**
Before something goes wrong, let us come take a look. Our technicians will thoroughly inspect your Cherry's equipment and give you a full report with recommendations for what to do next.
- **Worried about your machine?** Is it still safe to use? Is it worth keeping? How much is it worth? What should you do? Don't worry, we can help you.
- **Rebates and credits:** If you decide to use Cherry's to service your equipment, or if you purchase a replacement machine from us, we'll apply a credit or rebate any inspection fees!

Choose the best option.

- **Fix it.** If we find a problem, we can take care of it right away. If it's time to replace a part, we'll get it to you fast. Our parts are all U.S.-made, and we keep them stocked and ready!
- **Trade it.** We offer trade-in options on all our new equipment.
- **Refurbish it.** Refurbishing will extend the life of your machine, save costs, and improve your warehouse safety.
- **Recycle it.** Done with your machine? Need to get it off your site? Don't worry—we'll recycle it for you.

Enjoy no-stress service.

- **We care.** Our top priority is your safety, and next is your productivity.
- **We value your time.** We have 200 technicians nationwide, ready to service your machine, so you don't sacrifice valuable production time.
- **We offer a three-year warranty.** We extended our warranty from one to three years; an industry best!
- **We're all-American.** Our entire operation is based here in the U.S., and our equipment is built from all U.S.-made parts in our U.S. manufacturing plant.
